PRODUCT QUOTATION

PRESTASHOP 1.6.X TO 1.7.X MODULE

USER GUIDE 1.0

INTENDED AUDIENCE

The content of this document is designed to facilitate the users - managers, supervisors and others of **Product Quotation** PrestaShop Module. A step by step instruction has been added to this document to help users to install the module on PrestaShop.

This extension will only work on PrestaShop version 1.6.x to 1.7.x. As a safe practice always backup your files and database before installing any module on PrestaShop. If you are looking for someone to install the module we can do it for you as well. Just go to the following link and let support know the order id to expedite the installation process.

Once you have installed please see the User Guide to help you understand on how to use the module to its full capacity. If you still have questions feel free to contact us on the support platform where you bought this module.

If you have any custom requirements feel free to touch base with us.

- **Administrator Email:** Leave empty for default email
- **Enable module for**
 - All Products
 - Selected Products
 - Selected Categories
- If **Selected Products** or **Selected Categories** are selected you will have the option to specify which product or category you want to select

How To Manage Product Quote

At the back office, go to **Product Quotes**. You can go there from **PRODUCT QUOTATION > Product Quotes**.

Once you are here you will be able to access all the new quotes in the grid. Click on **View** to continue.

The screenshot shows the 'Product Quotes' page in the back office. The left sidebar contains navigation links: Dashboard, SELL (Catalog), IMPROVE (Modules), and PRODUCT QUOTATIONS (Product Quotes, Quotation Templates, Quotation Messages). The main content area displays a table of quotes with columns: ID, Form Name, Client, Status, Date, and Action. There are 8 quotes listed, with statuses ranging from 'In study' to 'Approved'. Each quote has a 'View' button next to it.

ID	Form Name	Client	Status	Date	Action
1	Our Global Store	Visitor	In study	2015-12-07 07:45:17	View
2	Our Global Store	John DOE	In study	2015-12-07 07:46:20	View
3	Our Global Store	Joe Jane	Pending	2017-05-17 12:19:21	View
4	Our Global Store	Joe Jane	Pending	2017-12-05 07:35:16	View
5	Our Global Store	Visitor	Pending	2018-04-11 07:03:33	View
6	Our Global Store	Visitor	Pending	2019-02-25 17:40:26	View
7	Our Global Store	John Doey	Pending	2019-03-20 07:22:48	View
8	Our Global Store	Visitor	Approved	2019-03-20 07:27:45	View

Now here admins will view the information, change the status & reply via message to the quotation as per their requirement.

The screenshot shows the 'View' page for a specific quotation. The left sidebar is the same as the previous screenshot. The main content area displays the 'QUOTATION DETAILS' for the selected quote (ID 1). The details include: Template (Our Global Store), Client (Visitor), Status (In study), Email (kashif.raza@unitedsol.net), Currency (\$), Coupon Sent (Yes), Date (2015-12-07 07:45:17), and Coupon ID (1). At the bottom right, there is a button labeled 'View/Send messages'.

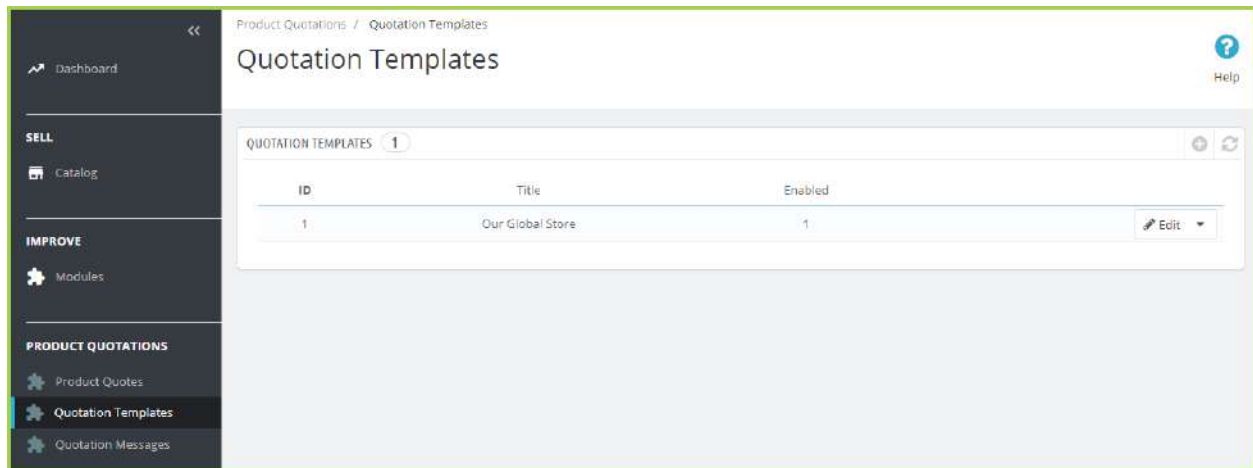

Field	Value
Template	Our Global Store
Client	Visitor
Status	In study
Email	kashif.raza@unitedsol.net
Currency	\$
Coupon Sent	Yes
Date	2015-12-07 07:45:17
Coupon ID	1

HOW TO MANAGE QUOTATION TEMPLATES

At the back office, go to **Quotation Templates**. You can go there from **PRODUCT QUOTATION > Quotation Templates**.

Once you are here you will be able to access all the new quotes in the grid. Click on **+** or edit existing one to continue.

Here you have to configure the following settings:

HOW TO MANAGE QUOTATION MESSAGES

At the back office, go to **Quotation Messages**. You can go there from **PRODUCT QUOTATION > Quotation Messages**.

Once you are here you will be able to access all the new quotes in the grid. Click on **View** to continue.

The screenshot shows the 'Quotation Messages' page in the back office. The left sidebar contains navigation links: Dashboard, SELL (Catalog), IMPROVE (Modules), and PRODUCT QUOTATIONS (Product Quotes, Quotation Templates, Quotation Messages). The main content area displays a table of quotation messages with columns for ID, ID Quotation, and Author. A search bar is located at the top right of the table.

ID	ID Quotation	Author	
1	1	Administrator	View
2	1	User	View
3	1	Administrator	View

Here you will find the messages and reply directly via message.

The screenshot shows the 'View' page for a specific quotation message. The left sidebar is the same as the previous screenshot. The main content area displays the message details, including the text of the message and the user who posted it. A 'Send Message' button is visible at the bottom right.
